

Five Years Since the Beginning of the Work of the High Anti-Corruption Court: Secrets of Creation and Operation

Dr Sergii Koziakov

Part 1

Preconditions for the establishment of the High Anti-Corruption Court

Five years ago, on September 5, 2019, the High Anti-Corruption Court of Ukraine (HACC), composed of 27 judges, and the Appeals Chamber of the High Anti-Corruption Court of Ukraine (AC HACC) - 11 judges, officially became operational. The HACC is a court with all-Ukrainian jurisdiction created to consider specific categories of cases involving top corrupt officials.
